Winter Garden Certified Backflow Testers

Listed below are backflow testers having the required certification on file with the City of Winter Garden. This list is provided for informational purposes only, and these testers are not employed by the City. The City assumes no responsibility for, and does not recommend, any particular tester.

You may use a tester not listed provided they are certified by the University of Florida TREEO Center, American Water Works Association (AWWA) or Florida Water & Pollution Control Operators Association (FW&PCOA) and copies of their testing certification and equipment calibration are submitted with the test results.
